PROJECTS

Petty Cash Manager Web Application

- Designed and developed a full-stack web application, Petty Cash Manager, using the MERN stack to efficiently track, manage, and analyze petty cash expenses.

- Implemented the back-end functionality using Node.js and MongoDB, ensuring efficient data management and storage.

- Created an intuitive and responsive front-end interface using HTML, CSS, and JavaScript, enhancing user experience.

- Employed troubleshooting skills to identify and resolve technical issues, ensuring seamless application performance.

- Utilized version control with Git and GitHub for collaborative development, enabling effective code management and team collaboration.

Movie Ticket Booking Web Application

- Designed and developed a user-friendly movie ticket booking web application by utilizing front-end web technologies like React , Redux in combination with back-end technologies.

- Implemented a robust NoSQL database solution to efficiently store and retrieve movie, showtime, and user information for seamless ticket booking functionality.

- Resolved technical issues and ensured smooth functionality and performance of the ticket booking web application through effective troubleshooting and problem-solving skills.

- Cloud Integration: Leveraged cloud computing technologies to deploy the movie ticket booking application, ensuring scalability, reliability, and accessibility for users.

- Enabled efficient communication and seamless data exchange between the front-end and back-end of the ticket booking web application using JSON (JavaScript Object Notation).

SKILLS

- Javascript
- HTML
- CSS
- React.Js
- Node.js
- MongoDB
- Bootstrap
- Github
- GIT
- Linux
- AWS
- GIMP
- Inkscape
- MS-Office
- Problem-Solving

CERTIFICATION

MERN stack - 5 Months
GUVI

- [React js](React%20js)
- [AWS](AWS)
- Node.js
- Javascript

EDUCATION

2019-2022 — B.Tech mechanical engineer
SRM Institute of Science & Technology
Chennai - 603203

2014-2016 — Diploma in Mechanical Engineering
Morning Star Polytechnic College,
Nagercoil – 629003
